8 ROBERT MYERS,

No. C 07-4905 SI

9 Plaintiff,

ORDER RE: DOCKET NOS. 9, 11 & 12

10 v.

11 SOCIAL SECURITY ADMINISTRATION,

12 Defendant.
13 _____/

14 Plaintiff has filed a motion to remove this case from the E-filing program, a motion to waive fees
15 for Pacer services, and a motion to extend all case deadlines by six months. The Court informs plaintiff
16 that because he is representing himself, he is not required to e-file documents in this case, and defendant
17 will serve plaintiff with a paper copy of all documents filed by defendant. As such, plaintiff's motions
18 related to the E-filing program and Pacer services are moot.

19 Plaintiff seeks an extension of all case deadlines in order to seek representation, and states that
20 he has an appointment with a lawyer who may be interested in this case. The Court notes that plaintiff's
21 motion for summary judgment is not due to be filed until 30 days after service of defendant's answer;
22 defendant's answer is not due until early next year. Accordingly, the Court finds that there is no need
23 to grant an extension of time at this point. Plaintiff may renew his request for an extension of time if
24 necessary after defendant files its answer.

25 **IT IS SO ORDERED.**
